Measuring the Climate for Learning

SCHOOL PERSONNEL SURVEY

Before you begin, please read the following information.

You are being asked to complete this survey as part of a project to help all members of the school community (students, parents, and school faculty) understand how everyone feels about your school.

- ✎ As you respond to each item, focus on your thoughts and feelings based on your own personal experiences as a student at your school.
- ✎ There **are no right or wrong answers**—we just want to know how you feel. Your responses will provide us with important information to help your school become even better.
- ✎ All your responses are **completely anonymous**, and no one from your school will ever see your answers. No identifying information (name, ID, classroom, or survey ID) will be connected to your answers.
- ✎ Please try to respond to all applicable items. Certain items may not be relevant to those of you who are not classroom teachers. For those items, please choose the “Does Not Apply” response.
- ✎ The survey should take you approximately 20 minutes to complete.
